LITTLE BOBOS

We can't wait!

Hi, I'm Caroline — founder and head photographer of Little Bobos Personality Portraits. I'm so excited to potentially work with you in hosting a Portrait Pop-up for you and your friends! Hosting a Pop-up is not only a perfect way to have a great time with friends, but to end up with awesome pictures of all of your little bobos while doing so. And as a thank you for hosting, your photos are entirely free! Check out some helpful information below regarding how the whole thing works.

THE LOWDOWN:

- I'll need to set my 4 ft. background up inside, in front of a medium-to-large window.
- I ask that there is a minimum of 15 kids not including your own; 20 kids if traveling.
- Each child must be signed up for their own spot. I will set up an online schedule where everybody can sign up.
- Children must be at least 4 months old and able to sit in a bumby and hold their head up
- Simple clothing works best, no big logos or graphics. I have other tips on what (and what not) to wear that I'll provide at sign-up or you can check out on my site. Most importantly, dress them true to themselves to help make their personality really shine.

WHAT YOU GET:

- 4 Digital Personality Portraits & 1 Sibling Portrait — all chosen from a catalog of images, with the option to purchase more.
- 8x10 Personality Portrait Print of your choice.

THE COST:

- Free for you!
- For your friends, it's \$175 per child for a 10-minute session with 20% off for any additional children. A \$50 deposit is due at sign-up, and the rest is due the day of the shoot.
